

## Realtor and mother named Mrs. Georgetown

Mrs. Rachel Logue was recently chosen to represent the City of Georgetown in the Mrs. Texas United America pageant in 2007. Mrs. Logue will compete against married women from across the state. She replaces Colby Pyle of Georgetown, who recently won the title of Mrs. Texas United America.

"We are excited to have Rachel as one of our pageant family and look forward to an exciting year with her involvement in our program," said Director Annette Rushing.

Rachel is married to Chris Logue and they have two daughters, Courtney and Christiana. The family has lived in Georgetown since 1993.

Mrs. Logue has been a licensed Realtor since 2001 and has been a member of the board of directors of the Williamson County Association of Realtors since 2005. She has been very active in her community with such activities as the Georgetown Rotary Club and Georgetown Chamber of Commerce. She has served as the PTA Vice President at McCoy Elementary, in addition to being on the Bereavement Committee and Hospitality Committee at St. Helen Catholic Church, board of directors Williamson County Crime Stoppers, Georgetown Library Advisory Board, American Heart Association and Hispanic Outreach Committee. Mrs. Logue, a Girl Scout Leader, also served as treasurer for Georgetown Circle of Friends 2005-06, and is currently chairperson of The Georgetown Public Library Capital Campaign.

Ms. Rushing said, "Rachel's personality, her willingness to help with so many various organizations with her volunteer work, her strive to make things better for those around her, not just her family but the many activities that she participates in" makes her a good role model for the married women of Texas.
